Dedications

I give all thanks to God for filling my cup abundantly. Special thanks to my wonderful wife Uju, for making the journey fun and always being there for me. Without your meticulous editing, this book project would not have been possible.

Introduction

Wine investing falls under the buy and hold section of investing. Why? Well, you buy it, hold it a while for the price to appreciate, then sell it to realize your gains.

This book sets out to show you the most efficient and simple way to achieve great profits (15% - 20% annual growths) from investing in fine wine. In this book you will learn how to:

- select what wines to buy for the best returns,
- buy your wines without paying any taxes,
- store your wine
- insure your asset
- automate your wine portfolio,
- sell your wine free from tax,

The exciting world of En Primeur wine investing awaits you.
